

Senior Urban Planner – Abu Dhabi

KAD/LM/SPU

Location: Abu Dhabi, United Arab Emirates

KEO International Consultants is a world ranked and leading Architectural, Engineering, and Project and Construction Management Firm with offices in Abu Dhabi, Al Ain, Bahrain, Dubai, Kuwait, Qatar and Oman.

We are seeking a qualified Senior Urban Planner who will be responsible for contributing to master plans for the regulation and development of urban areas for some of the most prestigious and internationally recognised projects within the region. This role is a vital and integral part of our Strategy, Planning and Urban Development Division.

Preference will be given to qualified candidates who can demonstrate experience in the following:

- Proven ability to lead and interact with technical professions including urban design, transportation, infrastructure, finance, and real estate development.
- Experience with land use and zoning regulations at a district and parcel level (GCC region experience preferred but not required).
- Experience undertaking major Master Planning projects on new and existing urban precincts.
- Developing and maintaining professional and meaningful Client relationships at all levels.

Qualifications : Masters Degree in Urban Planning, Ph. D qualifications preferred. Minimum of 10 years post-graduate experience.

Bi-lingual communication skills in English and Arabic will be viewed favorably.

Membership of a recognised national planning association is strongly preferred.

KEO offers long term career opportunities, generous expatriate salary packages and dynamic career development opportunities. In addition, KEO provides full assistance in relocation from A-Z with a team of experienced HR professionals trained to support you through the relocation process.

All applications will be treated confidentially.

All suitable qualified candidates are warmly welcomed to forward their profile through to appointments@keoic.com quoting New Zealand Planning Institute in the Subject line.

We invite you to visit our webpage which also includes a comprehensive listing of all our career opportunities. <http://www.keoic.com/careers.asp>
