

Senior Policy Analyst

Are you an experienced Policy Analyst/Strategic Planner looking for that next exciting career step? Are “outside the square solutions” where you thrive? Are issues such as sustainability, growth management, Town Centre development, and heritage and economic development important to you? Yes? We want to hear from you!

The Queenstown Lakes District Council is at the leading edge of strategic planning and policy development in NZ. Set amongst some of the world's most spectacular scenery, this Council offers a challenging & rewarding working environment alongside an active lifestyle that most would only dream of.

The Policy and Planning team is responsible for all strategic and community-based planning and the District Plan. As one of the Council's key Senior Policy Analysts, you will work across various legislation and disciplines, undertaking key projects yourself as well as managing policy projects that will be undertaken either by internal staff or consultants. Some key components of your varied workload will include drafting and monitoring policies, strategies and guidelines alongside community consultation, advice to Council, and preparation of plan changes & reviews.

You will need at least 5 years planning experience at a senior level, including drafting public policy. You will also have relevant qualifications, and a good understanding of relevant legislation, particularly the Resource Management Act and Local Government Act.

In return, we offer exciting career opportunities, training, competitive pay and a fantastic working environment in one of New Zealand's most beautiful & adventurous regions.
