

# PLANNER

- Do you want to influence the future landscape of Waipa District?
- Do you want to produce quality environmental outcomes?
- Are you customer focused?

Waipa District Council is on a journey of business excellence. We are committed to the development of our organisation and our District. We are also committed to providing a workplace environment that is innovative, progressive and technically challenging.

As part of our Planning team you will facilitate the administration of Council's operative District Plan. You will have direct responsibility for processing land use and subdivision consents, and for ensuring compliance with the Resource Management Act and other regulations.

This full time position will suit a qualified and experienced Planner. This is a great opportunity for those wanting to join an organisation committed to enhancing its environment.

**Closing noon, Thursday 5 August 2010.**
