NZPI Members Professional Indemnity Insurance Scheme

Aon, working in partnership with NZPI, provide cost effective, comprehensive Professional Indemnity insurance cover for NZPI members.

Planning is about sustainable development - making positive changes that stand the test of time. However, risk is inherent in the planning profession, including project problems and allegations of professional negligence from an unhappy client, who then seeks financial compensation.

Your Professional Indemnity Insurance Under the Group Scheme

Professional Indemnity

Should you find yourself at the wrong end of a complaint, investigation or enquiry, Professional Indemnity insurance pays for legal defence costs, plus any settlements or awards of damages that might be held against you in court.

Professional Indemnity insurance automatically includes cover for representation at registration board proceedings, breach of contract and fraud/dishonesty of employees.

Under the group scheme, NZPI members have a choice of limits for their Professional Indemnity insurance and the ability to integrate a choice of valuable additional protections.
