ONLINE CONSULTANTS DIRECTORY

ADVERTISING INFORMATION

Each year we produce an online Consultants Directory to help companies enhance their visibility at an affordable price and to enable the public to identify a qualified Consultant in their region. To compliment the online directory, we also produce a promotional postcard to distribute throughout New Zealand to Citizen's Advice Bureaus, Councils, Community Law Centres, Environment Information Centres and Professionals in related industries.

Take Advantage of this Great Advertising Opportunity, Enhance your Visibility & Promote your Services Today!

Who Should Advertise

Planners, Architects, Landscape Designers, Surveyors, Engineers, Lawyers and other Professionals involved in Planning, Design and the Environment.

Eligibility for Inclusion

Listings are only available to:

- Firms employing practicing planners, at least one of whom must be a current **Full Member** of NZPI® – this person must be your contact person identified in your listing.
- and
- Firms employing at least one current **Associate** of NZPI® - this person must be the contact person identified in your listing.

Availability/Distribution

The postcard promoting the directory is distributed to:

- Citizens Advice Bureaus, Community Law Centres and Environment Information Centres throughout New Zealand
- Territorial Authorities, Regional and Local Councils.
- Selected Government Departments such as the Department of Conservation and the Ministry for the Environment.

The online directory can be viewed **24/7** across the globe at www.planningconsultants.org.nz

Please submit as a separate graphic file (i.e. JPEG, TIF, GIF or PNG)

COMPANY PROFILE (LINK TO PDF):

Gold Package Only

NZPI® allows you to create your own customised company profile – there's no word limits or technical press design requirements. Our service gives you **one full A4 page** that you customise with your own text and graphics to meet your needs. It is accessible via a link within your online listing, if you've purchased additional regions – they will all link to this PDF. Your profile can include information such as:

- Key personnel who are paid-up current NZPI® members
- Areas of expertise and fields of work
- Recent projects
- Details of other offices (if providing a key contact, they must be a NZPI Full member/NZPI Associate)
- A location map

To optimise online viewing we recommend all pictures within your PDF are at a resolution of 72ppi, file size should be as low as possible - we suggest 1MB as the maximum size (otherwise it may take too long to download). To take advantage of the screen width, create a landscape page & fix the zoom to "Fit height".

Please contact Melissa Hubbard on 09 520 6277
or melissa.hubbard@planning.org.nz if you have any questions.
