

Consent Planner - Land Use

Making great communities takes great people. Will you be one of them?

We're calling for an experienced planner to seize this opportunity!

You'll be based in one of NZ's sunniest regions with a great outdoor lifestyle and you'll be adding to your existing planning career by working for a Unitary Authority!

Based in our Richmond office you'll be responsible for providing professional advice and technical expertise for district land use resource consent applications. Drawing on previous experience, you will have sound knowledge of LIMs, PIMs and RMA requirements. Experience with subdivision consents would also be an advantage.

The role offers variety and lots of direct contact with consent applicants as duty planner responsibilities are a routine part of the job. We're looking for someone with a natural customer service style who communicates exceptionally well and is looking for an opportunity to expand on their skill-set.

In return, we offer ongoing professional development, a variety of challenging and interesting work, and a benefits package suited to your preferences.

While we would prefer someone with 5 plus year's experience, we are prepared to consider and train a promising graduate or developing planner wishing to pursue opportunities for career progression.

If this sounds like you then apply now!

You can view the full details, and submit your application online at www.tasman.govt.nz or for more information contact the Human Resources Team on Ph. 03 543 8393.

Applications close 09 December 2018
