

PLANNER

Our dynamic, motivated and enthusiastic Planning Department is seeking a confident planner to contribute to our team.

Based in Hokitika on the South Island's rugged West Coast, is the opportunity to be part of and contribute to a vibrant, growing community. The position offers a broad range of work from policy to enforcement.

This is a permanent, full-time position providing technical support within the Planning Department - including processing consent applications, monitoring compliance of resource consents and the District Plan, undertaking enforcement where necessary, and providing advice to the public. In addition you will contribute to the review of the Council's District Plan.

This position offers a broad exposure to a range of industry sectors, so a willingness to build relationships with community stakeholder groups is essential. An understanding of the commercial impact of decisions whilst ensuring compliance is achieved will be an asset in this position as will a professional and pragmatic manner.

An ability to use initiative and seek resolution is vital to this role and will see you being able to take ownership of projects and have exposure to a variety of work.

If you are ready to launch your planning career with a wide range of experiences in the planning industry or just want a change of pace on the beautiful West Coast, see a full position description and application for employment on the Westland District Council Website: www.westlanddc.govt.nz.
