

RESOURCE MANAGEMENT PLANNER INTERMEDIATE LEVEL REQUIRED

CLC Consulting Group Ltd are a Civil, Environmental and Structural Engineering; Land Surveying, and Resource Management Planning Consultancy located in East Auckland.

We are currently involved with a large number of infrastructure and community facilities renewal projects for Auckland Council, as well as a varied range of residential and commercial developments across Auckland.

We require an intermediate level planner to join our resource management team. This is a full-time permanent position.

The applicant must have:

- At least 2-3 years of planning experience working within New Zealand;
- A New Zealand University (or equivalent) Bachelor degree;
- Strong interpersonal skills and ability to work effectively in a team.

We offer:

- A challenging role within a fast growing and experienced Planning team with mentoring and support to develop your career skills;
- A collaborative and supportive working environment where you will be encouraged to show your initiative and problem solving skills;
- Variety and diversity of an exciting project work load;
- An ability to live and work within a community environment without a city centric commute.
