

EXPERIENCED RESOURCE MANAGEMENT PLANNER

OTAGO

Terramark Ltd is a land surveying, resource management, and land development engineering consultancy with offices in Dunedin, Mosgiel, and Balclutha.

We pride ourselves on our core value of "going the extra mile" for our clients, and the successful and timely delivery of a wide range of projects.

To assist us in maintaining that within our growing business, we are creating an opportunity for an experienced resource management planner to join us. You would work closely with the Company Directors and our survey managers, and be responsible for client and Council consultations, the preparation of both subdivision and land use applications, and the presentation of applications at notified hearings as necessary. You will play the leading role in submitting applications to the Dunedin City Council, Clutha District Council, Central Otago District Council, Waitaki District Council, and Otago Regional Council.

APPLICANTS MUST HAVE

- A minimum of 3 years' experience in resource management planning in New Zealand
- A sound working knowledge in the Resource Management Act and processes
- Eligibility for full NZPI membership
- Sound written and communication skills

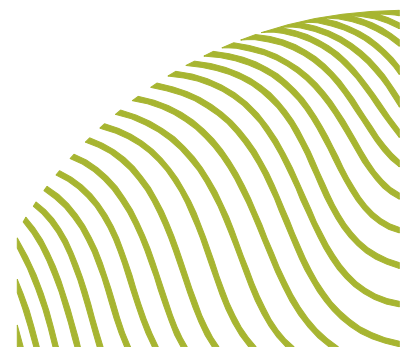

WE OFFER

- A challenging role within a growing consultancy
- Exposure to a wide variety of projects
- A negotiated remuneration package commensurate with your experience and ability
- The opportunity to add value to our clients' projects, and to work within the Terramark core values
