

Senior and Intermediate Planners

Auckland and Christchurch

Lands and Survey is a dynamic provider of services and solutions in all matters relating to land. We specialise in planning for urban development, physical and social Infrastructure, natural resource management and resource extraction.

We employ a talented team of planners, engineers and surveyors and support them with leading edge technology. We strive to find the best people in the industry and provide them with a great place to work. We firmly believe that our people are our strongest asset. We are committed to helping our people grow through training and mentoring, leading projects and client interactions and managing other professionals.

We need talented and energetic planners to help us deliver our growing number of projects in Auckland and Christchurch. This is a genuine opportunity to evolve your career within a highly experienced, innovative and friendly team of likeminded professionals.

We are seeking planners who like to ask why, thrive on a diversity of work, want to influence outcomes and enjoy working collaboratively to deliver results that exceed our Clients expectations.

Do you:

- ✓ Have a planning qualification and full NZPI membership (or are NZPI eligible)?
- ✓ Have demonstrated experience in local government or private sector development or natural resource projects?
- ✓ Want to work for a company that has a great culture, provides flexibility and helps people reach their potential?
- ✓ Want the opportunity to be involved in a range of projects, including consenting major urban developments , papakainga housing, natural resource extraction and innovative subdivisions; planning due diligence; policy development and plan changes?
- ✓ Want day-to-day support and mentoring from the best people in the industry?
- ✓ Want the opportunity to lead projects and work with people that value the skills that planners to bring to the table?
- ✓ Want to be challenged and are motivated to succeed?

If this sounds like you please contact Tim Grace at tim@landsandsurvey.co.nz or 027 235 3572.
