

AIRPORT PLANNER VACANCY

About the role

If you are looking for a full-time permanent role that is varied and want to work with a diverse and high performing team, then this is the role for you.

This opportunity supports the Head of Planning with a key focus on policy planning, RMA consenting, and noise management.

You will be:

- assisting with the preparation of planning applications for complex airport infrastructure projects
- building effective relationships with councils, committees and local stakeholders
- assisting with developing cost-effective expansion options consistent with airport commercial and sustainability objectives
- managing noise and environmental planning issues

In return for your hard work, you will be rewarded with:

- a competitive remuneration package
- multiple opportunities for learning and development including career pathways
- free airport parking
- retail discounts
- onsite fitness facilities and activities

About you

You have:

- ✓ excellent people skills
- ✓ the ability to think strategically, logically and methodically
- ✓ strong communication skills both, verbal and written
- ✓ well-developed influencing and negotiating skills

You are confident:

- ✓ working in consultative and team environments
- ✓ working with and managing consultants

Ideally, you have:

- ✓ a relevant tertiary qualification or equivalent
- ✓ experience in planning and the RMA
- ✓ experience in the RMA processes for significant projects including consenting, plan changes, designations and the associated legal avenues available to applicants and appellants alike
- ✓ knowledge or experience in aviation environments

As part of our standard pre-employment requirements, you must be able to obtain security clearance from Aviation Security Services, complete a Ministry of Justice background check and pass a drug/alcohol test.

About us

Wellington Airport is the hub of New Zealand's domestic aviation network and the gateway to the Capital and the surrounding region. A major player on Wellington's economic landscape, we contribute to the growth and development of regional commercial activity and tourism, and are a significant enabler of business and government activity.

This is an exciting time for Wellington Airport as we are constantly progressing and expanding; come and be a part of our success.
