

Intermediate Planner

Tauranga

Ever considered your role in leaving a positive legacy in our communities? We are on the lookout for a self-driven, energetic intermediate planner, looking to grow their career from the industries best, and lend a hand to paddle and steer ‘the Enspire waka.’

THE SPECIFICS

- Provide sound planning and environmental advice that can be relied upon by our clients, and those making decisions.
- Review, prepare submissions/further submissions to, and prepare evidence to statutory planning instruments where it is needed.
- Prepare robust assessment of environmental effects reports and resource consent applicants, and prepare evidence when it is needed.
- Possess the confidence and ability to assist Enspire in developing new clients by working on your own account and/or with others.

He waka eke noa

- *a canoe which we are all in with no exceptions*

THE BENEFITS

As an employer of choice, we will provide you with:

- A competitive salary package and benefits.
- Opportunities for ongoing learning and career development.
- An engaged and exciting team culture.
- A flexible and supportive work environment.

WHO IS ENSPIRE?

Enspire is a boutique provider of exceptional advice, specialising in environmental planning and process management. We strive to be the best, and have fun doing what we do.

At Enspire we are focused on attracting and nurturing the finest talent that thrives on creativity, teamwork and innovation while providing a safe and exciting working environment and culture. Encouraging and enabling personal and professional development across the Company, we are dedicated to providing pathways for our staff that enable them to stay at the forefront of the industry.

YOU WILL BE A GREAT FIT WITH ENSPIRE IF YOU:

- Are a team player, willing to assist others and be assisted by others in return.
- Thrive on a challenge while striving to be a leader (within Enspire and in the profession).
- Are an innovative and strategic thinker.
- Possess effective report writing and communication skills and the ability to manage your own time.
- Have relevant experience with resource management in New Zealand, including having a degree in planning.
