

Senior Planner

OUR VISION

“He Whenua Rangatira – A District of Sustainable Prosperity and Well-being” is coming to life as our region is experiencing a sustained period of growth. The need to ensure we enable growth whilst protecting our natural and built environment has never been more important. As land development continues, the number of resource consent applications has been rising.

ABOUT YOU

We offer you an opportunity to put your planning experience to good use in the beautiful Far North district. You will have five years' experience, be an expert in planning and enjoy upskilling, and mentoring our junior planners. One of the responsibilities of this role is that you will be the 2IC for our Principal Planner and our two Team Leaders – Resource Consents. Knowledge of the RMA and its application is a given, we are also looking for the right applicant to work well as part of a team, be a self-starter who can take initiative, and have the proven ability to prioritise and manage their workload.

ABOUT THE ROLE

When you join our Resource Consents team, you join a group of professionals who support each other. From graduate to senior planners, our resource consents team has a wealth of experience and we're looking for like-minded people to come and join us. We deal with a range of consents from straight forward single dwellings to complex commercial entities, so there is the opportunity to gain more experience and learn from others in the team or impart your knowledge to others.

We have Planners in both Kaitaia and Kerikeri, and are flexible on where you would be based.
