

Do you pride yourself on your attention to detail and your ability to make the technical simple?

Ready for a role that will provide you with ongoing support and development opportunities?

Looking for a position where you can support the progression and growth of your community?

The Waimakariri District Council serves a community of nearly 60,000 that is currently experiencing rapid growth. This brings with it abundant challenges across a diverse range of areas. We promise to be professional, approachable and solutions-focused when providing for our community.

We have an exciting new opportunity for an enthusiastic and experienced Resource Management Planner to join our Planning Unit based in Rangiora, North Canterbury.

In this position, you will provide an organisation-wide support service assessing subdivision and land use consents, responding to public enquiries relating to property and land use, and inspecting properties for compliance with consent conditions. There will be a strong emphasis on making sound recommendations on resource management matters and a collaborative teamwork approach to delivering quality outcomes. As part of the Planning Unit, and working with internal and external stakeholders, the Resource Management Planner has a major role advocating for the best possible outcomes for our community.

Ideally, you will be a community-focused person with outstanding interpersonal skills and the ability to work effectively with a diverse range of people. You will be confident working on project development and strategic planning issues in order to come up with "win-win" solutions. To compliment your work history, a relevant tertiary qualification in Planning, Resource Management or Surveying is required. We are looking for someone who is self-motivated, believes in continuous improvement and welcomes new learning and experiences by sharing, contributing and cooperating with others.

A competitive remuneration package will be negotiated with someone who demonstrates the right attitude as well as the relevant and proven experience. This is a fantastic opportunity for a motivated and skilled planning professional to develop and progress your career.

If you would like to find out more about this role, please contact Matthew Bacon, Planning Manager on 0800 965 468 (0800 WMK GOV).
