

Senior Planners

Plan for a great future and join a growing and innovative team of resource management professionals.

- **Excellent remuneration**
- **Flexible, family friendly workplace**
- **Professional development and advancement**
- **Diverse and challenging projects**

At Landpro our purpose is to help our clients make the most of their land. Over the past 12 years we have developed a great reputation for our solutions and customer focus and it's all down to our people - we employ and invest in the best.

With varied and interesting projects on the go we continue to grow and need to build our team to meet both current and future demand for both local and national planning projects.

To help us do this, we are looking for Senior Planners to join our award-winning team.

You will need a tertiary qualification in planning or a related discipline and at least 3 years planning experience. You'll bring an in-depth understanding of the Resource Management Act, a passion for all things planning. From planning concepts through to interpretation of district and regional plans, you'll have the knowledge at your fingertips. You won't be afraid of technology, and you will relish the prospect of challenging the status quo.

Your proven relationship, project management skills and time management skills will allow you to keep things on track. Your strong analytical mind combined with passion for problem solving sees you thrive on developing and delivering innovative and sustainable solutions to some of our most complex planning and environmental problems.

Stakeholder engagement is an important component of this role so you'll need to enjoy consulting and negotiating with a broad range of people.

You will be based in our Cromwell office but also work with our team across our offices in Gore or New Plymouth.

LANDPRO
Make the most of your land
