

JOIN OUR JACOBS TEAM

SENIOR PLANNERS – CHRISTCHURCH, WELLINGTON & AUCKLAND

Jacobs is a global provider of technical, professional and scientific services including engineering, architecture, construction, operations and project management. Our portfolio spans industrial, commercial, and government clients across multiple markets and geographies.

About the opportunity

Our planners are part of a national environment, planning and spatial team that are involved in a diverse range of exciting infrastructure projects, providing resource consent preparation and support, notice of requirement preparation, strategic planning advice, business case development and stakeholder engagement. Our planners are recognised as often being the front face of our organisation and play a lead role in making Jacobs a successful business.

Our Environment, Planning and Spatial Team is inviting applications from experienced and client focussed Senior Planners for positions in Christchurch, Wellington and Auckland. As a Planner with previous consultancy or local government experience, you will be responsible for delivering professional RMA planning services to our clients across a wide range of project types. With your proven skills in client relationship management and business development, you would take the lead on specific planning opportunities and projects in New Zealand, and actively drive the identification, pursuit and development of new business and work collaboratively across the wider Jacobs team. You would also help grow our capability through mentoring graduates and junior Planners in our team.

About you

Qualifications and skills required for this role include:

- A relevant and recognised planning degree, and full NZPI membership
- Proven experience in private sector, regional council or local authority planning
- Ability to contribute to and lead business development activities
- A demonstrable understanding of the RMA and NZ planning framework
- An innovative and strategic thinker
- Effective report writing and communication skills and ability to manage your own time

How to apply

Click on [this](#) link, or go to the Careers section of our website, and search for Job Number BI 0004LN.
