**Fraser Gemmell**

Assistant Structural Engineer, City Services

### Team Leader - City Planning

Keen to play a lead role in shaping the future of Christchurch?

Christchurch is undergoing significant change and is set for substantial growth in the coming decades. We are looking for someone to join our team and play a key role in guiding the development of the City and ensuring the quality of life continues to increase for our residents and Christchurch truly becomes the City of opportunity for all.

You will lead a team of talented, passionate professionals who are at the forefront of managing the rapid and exciting transformation of Christchurch through a number of strategic planning projects and the Christchurch District Plan. As a leader you will bring a strategic focus but with a high attention to detail so that Christchurch in the future is a sustainable and resilient City, prepared for the challenges that lie ahead.

Working across a range of sectors and with a number of strategic partners you will have a collaborative attitude and significant experience steering projects and programmes that have delivered exceptional results. Your outstanding technical capabilities and communication skills will help identify and advise elected members and executive managers on emerging challenges and opportunities facing the City.

You will play a vital role coaching and mentoring team members to help them achieve their goals and ensure projects run smoothly. You'll be supporting the wider leadership team and advising other Council staff on all aspects of strategic planning and the District Plan.

You'll ideally have a degree qualification in a planning related discipline with a high level of knowledge in the Resource Management Act and have at least three years experience in a leadership position.

Why wait? This is an ideal time to join and jump on this fast moving train and have the opportunity to make a difference! Join us and apply now!

To apply for this job, please go to our job site <https://www.cccjobs.co.nz/home> and enter the job code 15863PO.

Applications close Wednesday, 17 April 2019.
