

Resource Management Planner

vivian+espie Ltd is a resource management, urban design and landscape planning consultancy based in Frankton, Queenstown.

We seek to employ a self-motivated, confident, reliable and well organised resource management planner to become part of our close-knit team of urban designers, landscape architects and planners.

We work on diverse projects for a broad range of clients throughout the Otago, Canterbury and Southland regions. These include private plan changes, submissions on District Plan Reviews, tourism, recreation and residential subdivision and land use consents.

The successful candidate for this position will have:

- + Relevant planning tertiary qualifications;
- + Minimum 2 years planning experience involving policy development or consent processing;
- + Ability to manage multiple clients and projects;
- + Excellent oral and written communication skills;
- + Commitment to providing great outcomes for clients;
- + Membership of, or interest in attaining membership of, the NZPI.

We offer an attractive remuneration package and flexible conditions of employment for the right person. We also pay professional membership fee's and encourage continued professional development.

If you can see yourself joining our dynamic team based in this amazing location then please submit your covering letter along with your curriculum vitae to carey@vivianespie.co.nz, no later than Friday, 10 May 2019.
