

The AECOM logo is displayed in white, bold, sans-serif capital letters in the top left corner of the image.

Are you ready to be
part of AECOM's future?

The HLZ logo is displayed in large, white, semi-transparent, sans-serif capital letters in the center of the image, overlaid on a scenic view of a river and city buildings.

SENIOR PROFESSIONAL / PRINCIPAL PLANNER

Hamilton

Let us help you grow your career in the direction you want to head while you impact the careers of others

At AECOM New Zealand we firmly believe in our people and appreciate that they are the reason we are able to deliver on our client promise and ensure outstanding project results. We value their impact and believe in supporting them through flexible work arrangements, a wide range of benefits and by providing interesting project opportunities that match their career ambitions.

Our Environment team is looking to grow their Planning team as demand for planning expertise across the Waikato continues to grow. We are looking for passionate team players, who care about the sustainable development of our natural and built environment and want to share in our client's successes while delivering on interesting projects. A Principal Planner in our business would be someone who has a keen interest in leading client relationships, delivering projects and at times being part of a multidisciplinary project team delivering pieces of large projects.

This is an exciting opportunity to join our Planning and Environment team and help in the delivery of a number of complex multi-disciplinary projects. Our team comprises a range of professionals including environmental scientists and engineers, resource management and urban planners, sustainability specialists and ecologists who are all passionate about making a positive impact on our local communities and natural environment for the present and into the future.

THE ROLE

As a Principal Planner in our business you will play a key role in developing and enhancing client relationships and winning work. The role will involve:

- Preparation, management of applications requiring statutory approval (i.e resource consents, plan change requests, notices of requirement, etc).
- Mentoring and career development for team members
- Represent clients and/or provide expert evidence at statutory hearings
- Identify and develop new business development initiatives

ABOUT YOU

- 7-12 years' experience working on New Zealand Planning projects
- A Resource Management or NZ Planning qualification
- NZPI membership
- Demonstrate a wide range of technical experience including infrastructure planning, statutory policy and landuse planning
- Confident in preparing and presenting evidence at Council and/or Environment Court
- Previous experience in providing support and mentorship to team members

WHAT WE CAN OFFER YOU

The Workplace Gender Equality Agency (WGEA) recognises AECOM as taking a sophisticated, holistic approach to supporting women and men's equal participation throughout our workplace. We provide a diverse and inclusive work environment and offer many benefits to ensure your professional development and wellbeing:

- What we can offer you:
- A great team
- Support and mentoring from a local team of Technical Directors
- Fun and challenging work environment
- Flexible working arrangements including - flexi time monthly allowance of up to 8 hrs
- Diverse and high profile project work
- Working alongside global industry leaders
- Working on complex and interesting NZ based projects and exposure to offshore projects
- Flexible start and finish times, working from home, part time and job share options
