

**SOUTH WAIRARAPA  
DISTRICT COUNCIL**  
*Kia Reretahi Tātau*

## Resource Management Planner

Want the opportunity work in Martinborough, at the heart of one of New Zealand's growing visitor destinations, and home of our leading pinot noir wine region in the developing South Wairarapa district?

**A talented, experienced and service focussed Planner is needed to support and contribute to our planning operations. This position in our planning team will help to achieve Council's aim of contributing positively to our economy and environment whilst meeting our statutory requirements.**

The role offers a wide variety of work arising mainly from the Resource Management Act and the Local Government Act. The successful applicant will provide a range of capabilities for the District Council depending on experience. We seek someone with strong communication and planning skills, document and project management ability, good service ethic and team focus, self-motivation and a quick learner who can develop systems and liaise effectively.

We are a small dedicated Council working with our community across three towns. We seek someone with a sense of humour and strong interpersonal skills who can interact clearly and positively with others. If you have these qualities and relevant experience and would like to work in an effective friendly team, we welcome your application. This planning role is a fulltime position. A full description of the role is available as below.
