

BE LEGENDARY

WE ARE

Ahmed Mohamed

Risk Advisor, Corporate Services

Experienced Planner - Resource Consents

Do you have a passion for the outdoors, sports, arts and culture? Are you looking for somewhere affordable, vibrant and naturally beautiful to live? Do you want to be involved in reshaping and revitalizing an entire city? Christchurch offers all this and much more.

In order for us to respond to the challenge created by the exciting commercial and residential activity happening right now and the activity projected for our city for years to come, our Resource Consents unit has a number of opportunities for experienced Planners, including Principal Advisors, Senior Planners and Intermediate Planners - so come and join us and be part of making a difference!

The city of Christchurch is diverse - with a vibrant and growing central city to the rural and coastal environments of Banks Peninsula. This translates to varied and challenging work and will expose you to a wide, unique, and challenging range of planning issues.

You'll work with our customers to provide expert planning advice, process a wide range of resource consent applications, liaise with other Council experts to lead complex consents, notices of requirement applications, and appeals to the Environment Court, right through to mentoring less experienced planners if you're at that point in your career.

We're an inclusive organisation, with a strong focus on culture. You'll be part of a supportive, enthusiastic and fun team as we all implement the Councils vision of 'One team, making it happen with integrity and passion'.

No matter the level you're interested in, as long as you bring the relevant qualification, relevant experience and a positive customer-focused can-do attitude we need, you'll fit right in! We offer a supportive and fun work environment alongside a well-structured framework for career progression and professional development.

So what are you waiting for? It's time to grab this opportunity with both hands! Apply today and tell us why you're the perfect person for one of these pivotal roles.

Additional recruitment information:

Salary: will be discussed with the successful applicant

Hours of work: full-time, permanent

To apply for this job, please go to our job site
