

### **Team Leader – Resource Consents**

We are looking for an exceptional resource consents planner to manage our resource consent team. This is an exciting opportunity to manage staff while still being involved at the coal face. Given the small team, the successful applicant will have the chance to oversee all the facets of resource consent planning.

As Team Leader your key responsibilities will include:

- Day to day management of resource consents
- Management and leadership of staff
- Undertaking complex resource consents
- Advising customers/staff of the District Plan requirements

To be successful for this role you will have sound resource consent experience, exceptional customer service skills, and the ability to lead, motivate, support and develop a team. Our ideal applicant will be solution focused and have strong time management and organisation skills.

**Apply for this position at [www.mpd.govt.nz](http://www.mpd.govt.nz). Applications close midday, Wednesday 26<sup>th</sup> of June 2019.**
