Tauranga

4Sight Consulting is an environmental planning and policy consultancy that embraces sustainable and environmental excellence and leadership in our [wide-ranging projects](#). We pride ourselves on having a flexible working environment and are committed to finding the best people in the industry to help guide our company into the future, because it's the people that make us who we are and set us apart from the competition.

### JOIN:

- One of New Zealand's largest Planning teams
- A business where people, clients and the environment come first
- A highly engaged and respected team who love working together
- A business that prides itself on diversity and flexibility

Tauranga - a thriving metropolitan hub with beautiful beaches and a laid-back lifestyle. It's a great place to live and work, and whether you already live in Tauranga or are looking to move from the big smoke, we have an exciting opportunity for a Senior Planning and Policy Consultant to join our team.

We're looking for a Senior Planner who is an out of the box thinker, is driven, client focused, has an interest in RMA planning, and most importantly, has a willingness to work collaboratively to deliver outstanding results.

The successful candidate will have the opportunity to be involved in a mixture of projects across New Zealand, including undertaking planning due diligence, policy development, land-use development, assisting local councils with processing resource consents, and acquiring resource consents for a range of development projects. Therefore, demonstrated experience in local government and private sector development projects is a must.

So if you're interested, have what it takes, and want to work for an established, but still growing New Zealand owned, award-winning consultancy in sunny Tauranga, you can find out more and apply via our careers page [www.4sight.consulting/careers](http://www.4sight.consulting/careers).
