

Senior Planner

Christchurch - Fulltime

We are looking for a self-driven and energetic senior planner with a thirst to make a mark on their career and who is prepared to paddle and steer the 'Enspire waka.'

He waka eke noa - a canoe that we are all in with no exceptions

THE SPECIFICS

We are looking for someone who can:

- Provide sound planning, environmental strategy and process management advice to a range of clients throughout New Zealand.
- Lead innovative thinking and processes in planning and environmental services.
- Be a confident self-marketer, establishing new clients and interesting and challenging workloads.
- Review and critique work of your peers.

THE BENEFITS

We will provide you with:

- A competitive salary package and benefits.
- Opportunities for ongoing learning and career development.
- An engaged and exciting culture where we are renowned for being a cohesive and effective team.
- A flexible and supportive work environment.

WHO IS ENSPIRE?

Enspire is a nationwide boutique provider of exceptional advice, specialising in environmental planning and process management; dispute resolution; and strategy development and delivery. We strive to be the best, and we have fun doing it.

At Enspire we are focused on attracting and growing the finest talent that thrives on creativity, teamwork and innovation; while providing a safe and exciting work environment. We are dedicated to providing pathways for our staff that enable them to stay at the forefront of the industry and to encouraging a full array of out-of-office pursuits.

YOU WILL BE A GREAT FIT IF YOU

- Are a team player who is willing to help others and be assisted in return.
- Thrive on a challenge while striving to be a leader (within Enspire and in the profession).
- Are an innovative and strategic thinker.
- Possess effective report writing and communication skills, and the ability to manage your own time.
- Have relevant experience with resource management legislation in New Zealand, including having a degree in planning.
