

Make your mark with a great career opportunity and have a great lifestyle now. Here's a lifetime opportunity to create one of New Zealand's fastest growing and award winning cities within a dynamic new Infrastructure unit that's on the move.

10-minute commutes, affordable quality houses and schools all within a safe and progressive city. Palmerston North - offers you the true work-life balance you never thought possible.

'Palmy' is on the move, and we're making major investments to build our city for the future, providing small city benefits with big city ambition to a fast growing and dynamic population.

With an ambitious new Infrastructure unit now established, we are on the hunt for motivated leaders of our projects, who want to mark their career with exciting projects that provide a legacy of benefits for generations to enjoy.

With an average age of 33, 'Palmy' is one of the country's youngest cities. We're brimming with theatre, music, arts and cultural experiences and just a short drive away from the capital, Hawkes' Bay, Wairarapa, Taupo and the mountains, so there's an outstanding variety of activities and entertainment always on tap. Bordered by mountain ranges, beautiful beaches, mountain bike trails and the Manawatu River, Palmy is breathtakingly beautiful and a huge playground for outdoor lovers.

So if a great career and a great lifestyle is what you want - come join us now, and make your mark. We've got a number of opportunities in the planning sector:
