

## Junior/Intermediate Planner

**About the opportunity:** Our client is a multi-disciplinary consultancy with offices in Auckland, Wellington and Christchurch. They are now looking to add a full-time Junior/Intermediate Planner to join their team in their (Petone based) Wellington office. This is a great opportunity to join a team that's committed to delivering quality projects on time and within budget.

**Role description:** As a member of the planning team, you will prepare and process resource consent applications and notices of requirements. You will also provide policy advice to a range of organisations and projects across New Zealand.

### Responsibilities will include:

- Provide urban and environmental planning and Resource Management Act services
- Achieve positive project outcomes by providing high quality and timely services
- Foster strong relationships with prospective and existing clients
- Enhance the brand and reputation of the company
- Prepare resource consent applications
- Prepare assessments of environmental effects (AEEs)

### This role will suit someone with the following background / experience / qualities:

- Real world experience using the Resource Management Act 1991
- A tertiary qualification in planning and/or resource management
- Full New Zealand driver's license
- Approachable and a great team player
- Excellent verbal and written communication skills
- Practical knowledge of all environmental elements affected by development and infrastructure projects

### About the company:

Our client is a 100% New Zealand owned company and has been operating since 2001. They take on small and large scale projects involving urban development, education, housing, electricity, rail, irrigation, threewaters, transportation, and state highway projects. Recently, they are becoming involved in leading edge 'agile'/ 'lean' planning (e.g. plan changes using agile/ lean methods), civic hacking, co-design, NetHuis, Papakāinga housing, digital enablement and smart city projects.

### What will they offer:

- Career progression
- Chance to work in other locations across New Zealand
- Competitive remuneration and payment for ongoing training/conference attendance
- Payment and support in gaining professional membership/ongoing tertiary qualifications for the right applicant
