

Senior Planner New Combined District Plan – West Coast

This exciting position, as part of a team developing a brand new combined district plan for the West Coast, is a career defining opportunity. This is only the second plan of its kind in New Zealand, and will utilise the new National Planning Standards framework from its inception.

You will work on complex issues across the West Coast, including zoning in the dynamic Franz Josef environment. You won't be desk-bound in this role. Stakeholder engagement is a large part of the job, working closely with Central Government and the local community to ensure delivery of an innovative, workable plan that supports a vibrant West Coast.

Based in Greymouth and reporting to the Project Manager Tai Poutini Plan, you will provide planning expertise in a growing team of professional planners.

To succeed in this role you will be highly experienced in local authority planning, including policy analysis and district plan preparation.

A relevant tertiary qualification is required, along with the ability to work well with a team to drive innovative solutions and shared services.

Of equal importance will be your excellent communication and relationship skills, to form key partnerships and relationships at all levels of government, iwi, business and the community.

Come and enjoy an excellent work/life balance with a great team in this stunning part of New Zealand.

For more information please phone the Project Manager, Jo Armstrong on 021 636 637. To view the position description and apply please visit our website www.wcrc.govt.nz

Applications close: 12 August 2019.
