

Planning Manager

Are you an experienced resource management professional looking for a new challenge?

Are you sick of city traffic and would like to live and work in a small vibrant community?

We offer a competitive salary, along with relocation assistance, career progression opportunities and flexible hours.

About Kaipara District Council:

We are in the business of creating a thriving community where people love to live, work and play. We recognise that to do that, we need to have the right people on board.

What we can offer:

Apart from our gorgeous location, Kaipara District Council offers a supportive team environment in the midst of positive transformation and change. Mangawhai itself offers a world class coastal lifestyle only 90 minutes' drive from Auckland and 60 minutes from Whangarei.

Benefits include:

- Competitive salary
- Relocation assistance if required, including travel and temporary accommodation
- Professional memberships and ongoing professional development
- Study assistance
- Negotiation on flexible working hours
- Promotion opportunities and career pathways
- Health and wellbeing initiatives (yoga, pilates, massage, etc.)

About the Role:

Reporting to the General Manager Regulatory, Planning & Policy you will lead the planning team in the effective and efficient delivery of quality planning services, including consenting, major projects and the provision of customer information and advice. You will promote the planning team as innovative, forward thinking, performance driven and customer focussed. This role is initially fixed term to the end of the year.

Your key responsibilities will include:

- Managing, supporting and inspiring the team to achieve statutory consenting requirements
- Provide input to the Long Term Plan, Annual Plan and Organisational Performance Reporting Structure
- Provide supportive leadership, coaching and mentoring to the planning team
- Oversee complex projects
- Assist to ensure the District Plan is developed and maintained in accordance with the provisions of the Resource Management Act
- Ensure ongoing process and customer service improvements

You will have a tertiary qualification in planning, resource management or a related field, along with:

- 10+ years' experience, including in a regulatory processing / planning role, and preferably in local government
- Leadership and mentoring ability, preferably with team management experience
- Commitment to a strong and consistent customer service philosophy
- Most importantly, you would love to be part of a team of professionals who are dedicated to making a difference in our community

Kaipara te Orangawai Two Oceans Two Harbours
