

Regulatory Services Manager

The South Taranaki District Council is seeking a proactive and motivated individual to fill this key position in the Environmental Services Group. This is a permanent full time 40 hour per/week position based at the Administration Building in Hawera and will report to the Group Manager Environmental Services.

The successful candidate will lead a team of dedicated staff whose role is to implement a range of legislation and bylaws that are aimed at keeping the community safe and healthy. As well as operational management, the successful candidate will help the review and development of new Policy, Bylaws and Strategies.

In addition, this position will provide expert, accurate and timely advice to management, staff and the community relating to the regulatory area. It will also ensure budget management is overseen, projects focused on strategic development of the Unit and Group are undertaken and will take a leading role in ensuring legislative requirements are fully met and will take an active part in Civil Defence and Emergency Management.

The ideal applicant will have the following:

- Occupation-related qualification or demonstrated experience in regulatory services management
- In-depth knowledge of a broad range of environmental and regulatory legislation
- Knowledge of enforcement procedures including prosecution requirements for the Courts
- Knowledge of regulatory and other relevant legislation and the application of standards
- Demonstrated experience in the development of projects, policies and procedures in the regulatory area
- Excellent interpersonal, communication and negotiation skills and the ability to connect with a wide variety of customers and stakeholders
- Proven management and leadership skills
- Knowledge of Tikanga Maori
- Current full driver's licence

The South Taranaki District Council offers lots - great staff engagement, learning and development opportunities, social events and fantastic people, focused on achieving our common purpose of "Making our Communities Better".
