

SENIOR / PRINCIPAL PLANNERS WELLINGTON

Our Planning team is on the fast track to becoming one of the largest (and best) in the country. And because we continue to take on exciting new projects regularly, we are rapidly expanding and are therefore looking for a Senior to Principal level Planning and Policy Consultant to join our Wellington team.

Do you have

- 6+ years planning experience
- A planning degree recognised by the New Zealand Planning Institute
- Experience in developing and implementing local government policy
- Experience dealing with a range of stakeholders e.g. iwi, communities, corporates, government agencies

The focus of this role is to help grow our policy development work programme in local and central government, oversee and manage a variety of projects, and contribute to 4Sight's overall business development. The ideal candidate should also be client focused, have a love of planning, and most importantly, a desire to work collaboratively to achieve outstanding results.

Why work for 4Sight? We are proud supporters of NZPI and Papa Pounamu and can offer ample opportunities for professional growth and development. We're an environmental planning and policy consultancy that embraces sustainable and environmental excellence and leadership in our wide-ranging projects and pride ourselves on having a flexible working environment. We are also committed to finding the best people in the industry to help guide our company into the future, because it's the people and our culture that make us who we are and set us apart from the competition.

So, if you're interested, have what it takes, and want to work for an established, but still growing New Zealand owned, award-winning consultancy, please apply with your cover letter and CV.
