

## Environmental Planners

Due to this growth and change in our City we have a range of Planner positions available in our new additional planning team and we need your talent!!!! We are looking for people from at entry, intermediate and senior levels and have multiple positions available and we also need an exceptional Team Leader passionate about people to lead this newly formed team.

These roles are complex, challenging and varied involving the implementation of the City Plan directly through resource consents. You will be part of a team striving for great planning outcomes for the community for current and future generations.

This is an invaluable environment where you work as a large team as opposed to working in isolation or silos. We expect to see this mirrored in the new team. Our planners are invested for the right outcome, they thrive on having a positive impact on community through their high contact approach and strong customer service. We are proud to say that our planning team is well respected in the planning community.

Building relationships is a key part to this role dealing with a range of stake holders from our community, consultants and developers.

We offer solid career pathways, mentoring as well as a dynamic and engaging work environment. Offering excellent opportunities for personal and professional development. You will be joining an experienced team with a busy work programme for the coming years.

In order to be suitable for these positions we expect that you will have some experience in resource management related roles and a tertiary qualification in resource management or planning and development.

If you are excited by the challenge of joining a high performing team, and have the skills and experience we have mentioned, we'd love to hear from you.

**Apply online via [careers.tauranga.govt.nz](https://careers.tauranga.govt.nz) Applications close on Sunday 20th October 2019.**
