

Planner / Intermediate Planner

Maven is focussed on finding the balance between life and work. We are focussed on people who enjoy life, can balance this with work commitments and are team players who are respectful and bring good habits and ethics. Maven genuinely care about a work culture that is inclusive, supportive, non-egotistical and flexible. Maven offers the opportunity to work for a company that is people focussed, environmentally conscious, socially responsible and innovative.

ABOUT US:

Maven BOP is a growing Surveying, Civil Engineering and Planning firm with a wealth of industry knowledge, with a broad variety of projects. We encourage creative thinking and innovation and a focus on exceptional results for our clients. You will be given the opportunity to manage your own projects from initial feasibility/ concepts through detailed design, tendering, construction and practical completion, including client and contractor interaction.

REQUIREMENTS:

- 2-5 years of planning experience
- Bachelor of Science – Resource and Environmental Planning or similar
- A current member of NZPI or working to achieve membership status
- Knowledge, understanding and experience with application and interpretation of Planning Documents (i.e. RMA, Regional Plans, District Plans, National Policy Standards, resource consents and non-statutory documents)
- Excellent verbal and written communication skills
- Ability to engage with stakeholders including clients, professionals, Council's (both local and regional), public and communities, Tangata Whenua and government agencies;
- A can-do attitude and problem-solving approach;
- Capable of working independently as well as within a multi-disciplinary team;
- Experience or interest in land development process from plan making, through to design, to resource consenting processes through to completion.

WHAT WE OFFER:

- Competitive remuneration based on skills and experience;
- Exposure to a variety of project types within the Bay of Plenty, Waikato and Auckland regions;
- Central city offices;
- An inclusive and diverse workplace;
- A supportive, flexible and collaborative working environment; and
- Opportunity for ongoing learning and career development.
