

Intermediate and Senior Policy Planners

Permanent - one full-time and one part-time (0.5 FTE)

Your timing is perfect. The Kāpiti Coast District Council is looking for two policy planners - a senior and an intermediate - to join our District Planning team!

Our team is on the home stretch of a full-plan review process, and the forward work programme is brimming with opportunities to expand your policy skills. Urban development, the challenges of climate change adaptation, and did we mention summers on the beach?

We're interested in your knowledge and experience with the Resource Management Act (RMA), and your interpersonal, communication and project management skills. If you're an open-minded, logical thinker with an eye for detail and an outcomes-focused approach, we'd love to receive your application!
