

Senior Policy Planner

Full time

Gisborne District Council is working with our communities to make our aspirations happen. Tairāwhiti is the first place to see the light and we're working to transform our region to be the first choice for people and lifestyle and the first place for environment, economy and culture.

If you're a self-starter who is looking for a varied and challenging opportunity for your next career move, then this is the position for you!

We're looking for an innovative professional to join our team and help lead the transformation of Tairāwhiti and contribute to our success. This senior role will undertake a wide spectrum of resource management planning and local government policy functions including a review and refresh of our Unitary Plan.

You will need a relevant tertiary qualification with demonstrated experience in planning, resource management or policy analysis. A sound working knowledge of the Resource Management Act (RMA), Te ao Maori, Te Tiriti, planning and policy is desirable, along with excellent interpersonal, communication and project management skills. This challenging role is flexible to suit either a candidate already operating at this level or a person wanting a step up.

Applicants will be highly motivated team players who are well organised and committed to providing excellent customer service and quality results.

Please visit our website or contact Jo Noble for further information.
