

**Come and join us in Gore and experience rural city living
We are currently recruiting for the following position**

Planner

The role will have an opportunity to work on all aspects of the Council's resource management functions, from public enquiries, minor consents, research for policy decisions and monitoring. A review of the district plan is about to commence and the successful candidate will be closely involved with the work associated with the review.

We can offer an unrivalled chance to experience all the RMA has to offer to a recent graduate or a planner with some experience.

Our district provides a rural lifestyle unrivalled by most and our community and recreational facilities are exceptional. With ski fields, national parks, ice skating and major urban centres within driving distance, the Gore District is a wonderful place to live!

The Council offers real career development opportunities, competitive remuneration and a genuine belief in work/life balance.
