

## **PLANNING INTERNSHIP – SUMMER 2019/2020**

vUrbs Planning Services Limited (vUrbs Planning) is seeking an Intern for employment in Queenstown and the Northland Region – Kaipara or Whangarei. A national presence in terms of project delivery means we are able to develop and diversify staff careers.

Our ideal candidates would be resourceful, results-oriented and decisive. The return offer includes access to training, career development opportunities and locations across the country with both local government and private clients. Your success is what we aspire, and our multi-faceted business includes policy, community engagement, resource consents and infrastructure planning. The successful candidate will assist senior personnel in a diverse manner across these areas of planning including exposure to local government and Environment Court hearings, deliberations and mediation, and construction monitoring for resource consent compliance.

Key activities for a successful candidate are as follows:

- Attend customer enquiries and direct to senior personnel, where necessary.
- Site inspection analysis.
- Collation of meeting actions and project management.
- Assist with business development and tender preparations.
- Research and preliminary project investigations.
- Assist in the preparation of applications.

### **Minimum requirements**

Student of an NZPI accredited degree.

### **What we offer**

With projects across the country we strive towards adding qualitative values of ensuring the customer experience is the best possible, while balancing competing interests to achieve outcomes that enable environmental, social and economic growth.

We provide a work environment which encourages growth and success, and a working culture that stems off the phrase “to lead by example”, and operate on a flat structure where open opinions and outside the box thinking are celebrated.

Our core values define who we are, how we behaviour and where we aspire to be, and those include respect, relationships and results that we stand proud of producing. We are an equal opportunity employer, and believe in each person’s potential and helping them reach those.

For a conversation and if you need anything further, please contact Vishal Chandra on [vishal@vurbs.co.nz](mailto:vishal@vurbs.co.nz) or by phone, 027 886 4181.
