

Incite is a specialist resource management planning consultancy with offices in Auckland, Wellington, Dunedin and Christchurch.

We have an established client base across a broad range of sectors, including large and nationwide infrastructure providers, private sector developers as well as local and central government agencies. Working collaboratively with clients and other professionals, we pride ourselves on being experts in our field and providing exceptional service.

Incite Christchurch – Intermediate or Senior Planner (Consents)

Our Christchurch office, based in Kaiapoi, has a fantastic opportunity for an experienced consents planner to join our team. We are looking for someone who is able to hit the ground running, working alongside our existing senior consents planner in managing the consenting requirements of, and relationships with, our existing clients. This is also an excellent opportunity for someone who is looking to grow their own client base and over time establish a team which they will lead.

The ideal candidate will have:

- a planning or law qualification, preferably at a masters level
- a minimum of 4 years planning experience, preferably including some consultancy experience
- experience at managing client relationships
- the desire to take on a leadership role in preparing consent applications
- excellent plain-English writing and editing ability
- good interpersonal skills
- an ability to self-manage
- a “can-do” attitude and sense of humour.

For the right candidate we will offer:

- flexibility for work-life balance
- a variety of consenting work
- career development with active mentoring and professional support
- a generous salary
- a friendly, flexible and focused work environment.

Please email or call Leanne Whittington for a copy of the application form or any other information (leanne@incite.co.nz or 027 284 8239). All discussions will be strictly confidential. Applications close 6th December.
