

## Senior Policy Planner

The Rotorua district is fast becoming a sought after place to live, work and play. Internationally known for exquisite geothermal landscapes and extraordinary recreational activities, it is expected that the Rotorua population will increase exponentially over the coming years.

To support this demand, the Rotorua Lakes Council are seeking a talented and passionate Planner to join our RMA Policy team. We are looking for someone with extensive residential or industrial plan change experience. However, if you possess intermediate level experience and you are looking for the next stepping stone in your career we encourage you to apply, we would love to hear what skills you can bring to our team!

The Council recently adopted the Rotorua Spatial Plan. A number of District Plan projects have come out of this work relating to industrial land supply and residential intensification so we are looking for someone with relevant experience to lead plan changes in these areas. In addition, you will be competent in reporting on and providing quality advice on external RMA documents and processes, and, developing and processing plan changes.

We are looking for a professional with a passion for making a positive change, who can enjoy the challenges that come with growth. We would expect you to possess excellent communication skills, both written and verbal. A relevant tertiary qualification in Resource Planning or a similar field, as well as a good working knowledge of the Resource Management Act 1991.

We are happy to negotiate a competitive salary for the right candidate.

Te Kaunihera o ngā Roto o Rotorua (Rotorua Lakes Council) is committed to working in partnership with Te Arawa, our local iwi. We aspire to being a bicultural organisation and we value staff who speak te reo Maori, have an appreciation of Maori values, and a working knowledge of tikanga Māori.

Applications for this role close on **Friday 17 January 2020 at 8pm.**
