

## **Casual and Remote based Intermediate Resource Management Planner**

Misura is a survey and land development consultancy business based in Christchurch. We have a solid client base undertaking a variety of work across the Canterbury Region. Our work includes working through a variety of small to medium sized subdivision and land development projects.

### **The Role**

We have an opportunity for a Resource Management Planner with some experience to be part of our team. The role is a casual position assisting with the preparation of subdivision and land use consents for a variety of subdivision and land development projects across the Canterbury region.

As a casual position, hours will vary to according to workloads and your availability to complete the work. The role is remote based, suitable for anybody capable of working remotely from home.

### **We are looking for the following attributes**

- Experience in preparing resource consent applications
- Understanding of relevant legislation, land title systems and the subdivision process
- Ability to work through various district plans
- Excellent communication, presentation and report writing skills
- Ability to work unsupervised and able to meet agreed deadlines

You will need to have access to a computer with word processing and a good internet connection

To apply for this position, please email your CV along with a covering letter to [info@misura.nz](mailto:info@misura.nz). Also please contact Malcolm Hanrahan 03 365 1888 should you have any questions about the position.
