

Intermediate & Senior Planners

- Positions available in Tauranga & Hamilton
- Enjoy a diverse mix of planning work & plenty of day-to-day variety
- Excellent company culture ... supportive team, can be yourself & take initiative

BBO is a New Zealand based company of consulting engineers, planners and surveyors delivering diverse projects from highways and bridges, to land and site development and council infrastructure. We're big enough and have the multi-disciplinary expertise to lead large projects to completion, but also small enough to be personable and approachable. If you're looking for a non-hierarchical environment where people can be themselves, are grounded and resourceful, collaborate and support each other, plus have a genuine desire to do right by the clients they serve, then BBO could be the right place for you. BBO is currently recruiting Intermediate and Senior Planners to apply their planning skills to a diverse range of resource management activities.

The Challenge

- Take a lead (Senior Planner) or supporting (Intermediate Planner) role in the preparation of resource consent applications, plan change requests, designations/notices of requirement, outline plans etc. at times associated with infrastructure, land and other developments.
- Work with engineers, scientists and other technical specialists on assessments of environmental effects.
- Contribute to the review/development of policies in district and regional plans working closely with Council clients.
- Advise clients and provide practical assistance in support of effective community engagement and consultation.
- As a Senior Planner, prepare and present expert-witness evidence when required.
- Lead or support the planning, management and delivery of projects and provide an excellent service to clients.

Your Skills

- For Senior Planner position have at least 5 years' experience, and for Intermediate Planner position have 2-5 years' experience in the planning field, preferably in a consultancy environment.
- Have a tertiary qualification in resource management/planning, and for Senior Planner be a full member of the New Zealand Planning Institute (or be eligible).
- Excellent communication and relationship skills.
