

feathers planning

resource consent specialists

feathers planning is a boutique planning consultancy which provides all types of resource management services, but specialises in resource consenting for land use developments and subdivision. The company focuses on developing tailored, innovative and practical solutions for all proposals requiring planning and resource management input – from small-scale tasks to significant projects.

We have an exciting opportunity for a part-time Senior or Intermediate Planning Consultant to join our small professional team to provide expert, timely and accurate resource management advice and services to a range of clients. Because of our small team and expectations of fast turnaround for our clients, your attitude and outlook are critical, we are looking for the person with the right fit.

About Us

We offer a diverse range of projects and the opportunity to work alongside other experienced professionals.

We offer a competitive negotiable salary along with an environment where you can hone your existing skills and develop new ones.

We pride ourselves on providing a personalized and professional approach to client management and delivery of solutions.

We are a small friendly experienced team looking for the right person to join us.

About You

You will be a confident and motivated self-starter.

You will be an assertive and effective communicator who is able to deal with clients and stakeholders alike.

You are autonomous and results driven and work with pace and efficiency

You will be tertiary qualified in planning and **have at least 3 years** relevant work experience.

You will have a sound knowledge and understanding of resource management and other planning frameworks.

Closing date for applications is 5.00 pm on 14 August 2020.
