

## SENIOR PLANNER

### ABOUT US

Civix Limited is a growing planning, engineering and surveying consultancy located in the Auckland CBD. Due to significant recent demand, we are on the lookout for a qualified, motivated and personable Resource Consents Planner, with at least 7 years' NZ experience in either the public or private sectors.

Civix staff have a comprehensive knowledge in all facets of resource management and land development. We work in the private sector on a range of small to large scale development projects, generally within the Auckland area.

This is an excellent opportunity to be a key player in a fast-growing company, working with a great team. The role offers the opportunity to broaden your understanding of the development process in a supportive environment, working alongside key project partners.

Civix looks after its employees and we offer flexible working arrangements which comes with a fun, friendly and positive working environment.

### ABOUT THE ROLE

The role will focus on resource management planning, primarily relating to:

- The preparation of complex land use/subdivision and regional consent applications and submissions for Council, across a range of different land use and subdivision activities.
- The preparation of development potential, feasibility studies and due diligence assessments.
- The ability to prepare hearing evidence, and attend hearings.
- Project coordination of consents – requiring multiple professional inputs and consultant coordination.

### THE IDEAL CANDIDATE WILL POSSESS

- A relevant qualification in town planning with a good understanding of the planning system and relevant legislation.
- A minimum of 7 years' NZ experience, ideally with Auckland AUP experience.
- Resource consent hearing experience.
- An understanding or experience of the Environment Court process, including mediation.
- The ability to assist other planning staff, as required.
- Great communication skills.
