

LANDPRO

Make the most of your land

Plan for a great future and join a growing and innovative team of Professionals.

Landpro is a multi-disciplinary team of experts whose experience covers all aspects of Planning and Resource Management, Environmental Science, Surveying and Aerial and Geospatial consultancy. At Landpro our purpose is create and inspire sustainable solutions through expertise, innovation and technology. Landpro is a fun, family orientated organisation who focus on putting people first.

Due to high work demand we have an exciting opportunity for **Senior Resource Consent Planners** to join our award-winning team.

The Role:

At Landpro we undertake a diverse range of planning related work, covering both district and regional planning requirements. As a Senior Resource Consents Planner, you will be expected to;

- Prepare, lodge and oversee resource consents processes with relevant regulatory bodies.
- Attend consent hearings, including Environment Court.
- Manage and lead complex planning projects.
- Provide planning advice.
- Liaise with both internal and external stakeholders.
- Oversee a variety of other external consultants as required.
- Lead and support client relationships with a focus on exceptional customer service.

What you can offer:

- A tertiary qualification in Resource Management Planning or related discipline along with at least 5 years' planning experience.
- An in-depth understanding of the RMA and other relevant legislation.
- Strong interpersonal skills with the ability to communicate effectively with clients and team members, including explaining technical things in a non-technical way.
- An excellent understanding of regional and district council consent processes and associated legislation.
- A proactive, positive and 'can do' attitude.
- Excellent computer literacy, and good written and oral communication skills.

Ideally you will have an understanding or interest in rural planning, as this is a large component of the work you will undertake at Landpro. Your proven relationship, project management skills and time management skills will allow you to keep things on track and deliver in accordance with the expectations of your clients. You will be able to work collaboratively with others and work un-supervised. Your passion for problem solving sees you thrive on developing and delivering innovative and sustainable solutions to some of our most complex planning and environmental problems.

What we can offer you:

- Excellent remuneration
- Flexible, family friendly workplace
- Professional development and advancement
- Diverse and challenging projects
- A collaborative and supporting working environment

We currently have roles available in Cromwell, Gore or Invercargill.
