

Boffa Miskell

Urban Designers and Planners

Expression of Interest

Wellington Te Whanganui-a-Tara

Join a highly experienced consultancy
and help us deliver transformational
projects throughout New Zealand

We are seeking expressions of interest from passionate and talented Urban Designers and Planners at intermediate and senior levels of their careers to join our team of consultants in Wellington. While 2020 has been a challenging year, our team has remained busy and we look ahead to a strong work outlook. The mix of our disciplines is ideally placed to respond to the housing, infrastructure, climate change and environmental challenges we face.

These positions will see you joining a truly multi-disciplinary team, who excel at what they do. You'll be working collaboratively with the project team and clients to help deliver a range of industry leading, and transformational projects throughout New Zealand. Through this challenging and diverse work, you'll deepen your professional experience, refine your skills, build your networks, and make a meaningful contribution to the team, our clients, and New Zealand's environment.

We are looking for candidates who are innovative, collaborative and resilient in their approach. You will have a genuine interest and capability to work with a wide range of communities and their stakeholders. An understanding of government influences at all levels would also be beneficial.

Boffa Miskell is a leading New Zealand professional services consultancy, that is focused on better outcomes for our environment. We are entirely employee-owned and growing, with an increasingly diverse portfolio of clients and projects. We offer a supportive, flexible and collaborative working environment and value having an inclusive and diverse workplace. We offer ongoing opportunities for professional and personal development to ensure that our people can excel and grow.

We're looking for someone with

A minimum of two years' (intermediate roles) or at least ten years' (senior roles) professional experience in urban design and/or planning, preferably in a consultancy environment

A postgraduate degree in Urban Design, Planning or a related environmental field

Experience that demonstrates creativity, a critical eye, and the ability to problem solve and actively contribute ideas within a collaborative team

An in-depth understanding of the RMA, Regional and District Plans and policy and plan development

The ability to cultivate strong working relationships across all levels of our business, and with our clients, consultants and other stakeholders

Clear and well-articulated written and verbal communication skills

The ability to think conceptually and focus on wide-ranging or long-term implications

Proven experience managing your time, effectively prioritising and delivering quality results

A thirst for knowledge and a drive to take on new challenges

Professional registration within your discipline (or working towards it)
