

Planner

Our dynamic, motivated and enthusiastic Planning Department is seeking an enthusiastic and capable planner or graduate planner to join our team.

Based in Hokitika on the South Island's rugged West Coast, this is an opportunity to be part of and contribute to a vibrant, growing community. The position offers a broad range of work from policy and consents through to enforcement.

This is a permanent, full-time position providing technical support within the District Council and the Community – including processing consent applications, monitoring compliance of resource consents and the District Plan, undertaking enforcement where necessary, and providing advice to the public. In addition, you will be involved in the review of the combined District Plan bringing three District Council's under one plan.

This position offers a broad exposure to a range of industry sectors. You will be a confident communicator willing to build relationships with community stakeholders groups. A readiness to learn and understand the commercial impact of decisions while ensuring that compliance is achieved will be an asset in this position. You will have a professional and pragmatic manner.

An ability to use initiative and be resolution/solution focused is vital to this role, and will enable you to take ownership of projects and have exposure to a variety of work.

This is a great opportunity for a person ready to launch a career, which provides a wide range of experience in the planning industry, or for a planner ready to experience a true work/life balance on the beautiful West Coast.
