

## Senior Advisor, RMA Consents & Environment

Working for Wellington Water puts you at the forefront of looking after our most precious assets: water, human health and welfare, and the environment. With the increasing awareness around the importance of managing the three waters, it's an exciting time to join our organisation.

We are seeking a Senior Advisor to join our RMA Consents and Environment team. This is an exciting role for those keen to work in an environment that is constantly growing and changing.

As our Senior Advisor, RMA Consents & Environment, you won't be a stranger to working on high risk consenting and compliance activities bringing this experience to ensure Wellington Water positions itself as a collaborator and protector of the environment.

**With your strong technical capability, relationship management and facilitation skills you will:**

- Analyse, interpret, provide clear advice and submissions and other responses to national, regional and local environmental policies and documents;
- Undertake environmental scanning on new and amended legislation and regulatory instruments that could have an impact on the management of 3 waters services
- Develop frameworks and consistent approaches to manage risk in the area of RMA consenting and environmental policy activities

This is a permanent, full-time role reporting to the Principal Advisor, RMA Consents & Environment.

We are based in Petone with magnificent views of the harbour. We have a collaborative culture where you'll be empowered to do your best and rewarded for innovation while having fun.

Apply now and get on board with our people-focused, dynamic and evolving organisation.

**Applications close on Sunday, 18 October 2020.**
