Senior Policy Planner & Policy Planner

City Development Team

Two Permanent positions, working 40 hours per week.

Napier is a lively and vibrant city, offering an exceptional climate as well as plentiful opportunities for family, recreation and relaxation. Improved road and air links are helping to make Napier one of New Zealand's most popular, liveable and easily accessible cities.

Napier City Council is one of Napier's biggest and most desirable employers - we value excellence, integrity, sustainability and outstanding customer and community service.

We have two exciting opportunities in our City Development Team for an experienced Senior Policy Planner and Policy Planner to join our team and play a key role in shaping the future of our city.

Both roles will be responsible for ensuring the delivery of city development policies are consistent with Council strategies while providing quality policy advice, analysis and formulation in the field of resource management and local government policy.

The Policy Planner Roles have a high level of influence and impact across the Council and would ideally suit candidates who have experience in a resource management position, either policy or regulatory. Napier is currently reviewing the district plan so it is a crucial time to influence the future of our city and an exciting career opportunity.

We are looking for two enthusiastic and passionate people with:

- A tertiary degree or master's qualification in policy planning or natural resource management or similar related field
- Advanced knowledge and understanding of legislation relating to resource management and local government
- Eligibility for NZPI membership
- Demonstrated project management skills to enable the co-ordination of strategic environmental research and policy preparation.

We are an equal opportunity employer and we value diversity. We do not discriminate on the basis of race, religion, national origin, gender, sexual orientation, age, marital status, or disability status.
