

## Planning Adviser

### Calling all Planners!

Are you a talented Planner looking for a fresh challenge for 2021? Then this is the opportunity for you!

New Plymouth District Council is looking for Planners at all levels to join their high performing Planning team in the New Year in either entry, intermediate and senior roles. You will be part of the plan-making process in an award winning team that is driving the Proposed District Plan through the hearings process. Being the first ePlan released under the National Planning Standards, you will be at the forefront of planning in New Zealand.

We are a growing district, with a range of challenging and complex planning issues that will give you plenty of stretch. Whether you are interested in urban/rural/coastal or the natural environment we have it all.

You will have a tertiary qualification in resource management planning or a related discipline and experience in policy development and/or resource consents. You will also be action orientated and have the ability to deliver on multiple priorities in a fast paced environment.

Have we also mentioned that Taranaki is one of New Zealand's best kept secrets? Whether you want to live by the beach, climb our Maunga in the weekends or enjoy our vibrant small city feel there is something for you. Leave those traffic woes behind and start living that lifestyle dream.

If you want to take the next step and you have, drive, determination, and a genuine desire to add value and deliver sustainable outcomes for the community we want to hear from you!
