

Senior Planner- Auckland

Lands and Survey (Auckland) Ltd is a dynamic provider of services and solutions in all matters relating to land. We have been providing services in the Auckland region for the past five years, and pride ourselves on putting people first with a focus on exceptional customer service and a great work environment.

We are seeking a talented and energetic Senior Planner who is comfortable managing client relationships, will ensure our planning team is well supported and has a focus on project efficiency and profitability. The role is part of the wider management team at Lands and Survey Auckland.

Key requirements:

- Client / Project management along with effective communication and relationship building skills with both colleagues and clients.
- Ability to support and mentor the wider planning team, including technical direction.
- Management of planning projects including planning applications; plan changes; consenting; scoping reports; design and policy guidance; environmental and environmental advice; workflow and assignment of jobs
- Experience in a Senior Planning role, a recognised qualification and NZPI membership.
- Experience in local government and / or private sector development
- Ability to complete technical work to the standard expected by industry governing bodies
- A positive, friendly, can-do attitude; be able to think on your feet, make fast decisions with a hands-on approach and an ability to think outside the square.
- Desire to be proactive in the growth of the business to achieve set goals
- High level of professionalism at all times
- Has the right to work in New Zealand

On offer:

- Competitive salary package
- Usual tools of the trade incl phone, laptop etc
- Opportunities for further development in a growing business
- Work with a fabulous group of skilled people in a professional, collaborative and dynamic environment
- Work-life balance - we offer flexible working arrangements and have a family-friendly office.

If you have the relevant experience, a great attitude and are looking to reach your potential within a supportive company.

If you have the relevant experience, a great attitude and want to join a great team and supportive company, please email your application fiona@landsandsurvey.co.nz; or for an initial; confidential discussion call 0276688078
