

## Senior Resource Management Planner

- *Do you pride yourself on your attention to detail and your ability to make the technical simple?*
- *Ready for a role that will provide you with ongoing support and development opportunities?*
- *Looking for a position where you can support the progression and growth of your community?*

The Waimakariri District offers a wide range of recreational and lifestyle opportunities and is a very desirable location, being less than 30 minutes' drive from Christchurch. Whatever your choice of living environment, it is readily available and affordable in the Waimakariri.

The Waimakariri District Council serves a community of nearly 60,000 that is currently experiencing rapid growth. This brings with it abundant challenges across a diverse range of areas. The Council has an exciting new opportunity for an enthusiastic and experienced Senior Resource Management Planner to join our Planning Unit based in Rangiora, North Canterbury.

In this position, you will process a wide variety of resource consent applications, including large residential subdivisions, you will deal with complex planning matters involving both rural and urban issues, and respond to public enquiries relating to property and land use. There will be a strong emphasis on making sound recommendations on resource management matters and a collaborative teamwork approach to delivering quality outcomes. As part of the Planning Unit, and working with internal and external stakeholders, our Resource Management Planners have a major role in achieving the best possible outcomes for our community.

Ideally, you will be a community-focused person with outstanding interpersonal skills and the ability to work effectively with a diverse range of people. You will be confident as a project manager and working on strategic planning issues in order to come up with 'win-win' solutions. To complement your work history, a relevant tertiary qualification in Planning or Resource Management is required. We are looking for someone who is self-motivated, believes in continuous improvement and welcomes new learning and experiences by sharing, contributing and cooperating with others.

A competitive remuneration package will be negotiated with someone who demonstrates the right attitude as well as relevant and proven experience. This is a fantastic opportunity for a motivated and skilled planning professional to develop and progress their career.

If you would like to find out more about this role, please contact Matthew Bacon, Planning Manager on 0800 965 468 (0800 WMK GOV).
